

*Passport to the*  
**GRADUATE PROFILE**

When a young woman graduates from Ursuline, these are the values that have been instilled in her. Each department, club and organization contributes to all aspects of the Graduate Profile. At Ursuline Academy, find out how you can *Discover the Power Within U!*

- *Serviam*
- Academic Excellence
- Faith-Based Leadership
- Respect for the Individual
- Development of the Whole Person

- *Serviam*
- Faith-Based Leadership

## *Serviam* and Faith-Based Leadership

Our students understand the depth of the words of the Ursuline motto, "I will serve," and are committed to faith-based living and leadership in a global community. Our students complete all required service commitments and appreciate the satisfaction of service to others.

Today you will meet teachers and staff from the following:

- Campus Ministry
- Global Education
- Global Scholars
- Bears in Prayer
- Sisters in Service

- Academic Excellence
- Respect for the Individual

## Academic Excellence

Our students are committed to academic excellence. Our students communicate effectively, raise good questions, summarize well, prepare a convincing argument, and demonstrate Christian values in scientific, historical, mathematical, and artistic forms of thinking. Our students meet the challenges presented by a technological society and are committed to lifelong learning.

Today you will meet teachers and staff from the following:

- Science
- Forensics
- Math
- Business and Technology
- Girls Who Code

## Respect for the Individual

Our students respect the uniqueness of the individual in a community environment, demonstrate knowledge of personal

strengths and weaknesses, and make decisions with emerging wisdom and practicality. Our students also recognize and appreciate the contribution of time and talent made by all members of the Ursuline community.

Today you will meet teachers and staff from the following:

- Theology
- Counseling
- Social Studies

# • Development of the Whole Person

## Development

In order to nurture our students' development as a whole person with great potential, we assist our students in exercising their own responsibility to explore and validate their faith, taking reasonable risks in setting future goals, and making moral decisions influenced by Ursuline values and traditions. We enable our students to have a clear sense of their individual learning styles, interests, talents and abilities.

Today you will meet teachers and staff from the following:

- Foreign Languages
- English
- Fine Arts
- Performing Arts
- Broadcast
- Physical Education
