

LIBRARY CARD INFORMATION for INCOMING FRESHMEN:

All UA students need a St. Louis County Library card for classwork at Ursuline.

Instruction will be given on the use of the County Library's website between September 4 and September 7, 2018. Each student must have a card by that date.

- If you live **in** St. Louis County, St. Louis City, or St. Charles County, please go to your local branch and apply for a card or make sure your current card is in good standing.

Be sure to bring proof of residency (piece of mail, driver's license/permit) when you apply for or renew your card.

- If you live **in** Illinois, Jefferson County, or Franklin County, you will receive a library card application via a separate mailing.
