There is no fee to send a transcript, and during normal school hours, requests are mailed within two working days. Official transcripts are sent with an official, embossed seal directly from Ursuline to the business or school requesting the transcript. Official transcripts may NOT be faxed or e-mailed. If you are merely seeking information for personal use, we will send you an unofficial transcript. If you would like to have an official transcript sent to another school or business, please send additional requests as listed above.

The Counseling Center will operate limited office hours and with minimal staffing to process transcript requests during the last two weeks of June, and will be closed in the month of July. For any further questions, please contact the Counseling Office at 314-984-2827.
